

BONALDO

Big Table

Designer: Alain Gilles

The inclination of the legs evokes dynamism, the linearity of the top bestows great visual stability. Whether stationary or in motion, Big Table has a decidedly unusual personality. Big Table's legs are in laser-cut steel in different sizes and geometric shapes, shaped and matt painted in numerous combinations of colours; the fixed or extendable top is available in matt white lacquer or various wood, glass and ceramic finishes.

Adaptable, sculptural, a reliable central feature in traditional or more contemporary contexts, thanks to the numerous possibilities of personalisation, Big Table has become the icon of the Bonaldo style. For this reason, to celebrate 10 years since the launch of Big Table, a Special Edition was created in 2019 in Saint Denis marble.
