

BONALDO

Alfie

Designer: Giuseppe Viganò

An object which revisits a classic furnishing feature in a contemporary way, becoming a designer piece which satisfies the need for comfort and the love for clean, modern lines. Alfie is a relaxing armchair which has a strong visual impact thanks to its metal structure. In the emery leather body, two large, square-shaped cushions are inserted, upholstered in leather, eco-

leather or fabric; in the Alfie Arm version, the soft armrests provide additional comfort. Using also the pouf, combined with the armchair, the highest level of comfort is assured. Alfie is suitable not only for living spaces, but is also ideal for all those areas of hotels and public spaces in general intended for welcoming or relaxation.
