

Multifunctional sideboard in blockboard, also available with iron or hide leather details both on the top and inside the doors. The lateral doors, opening to 180°, contain small shelves that allow to store or hang glasses. The central space, enclosed behind two doors in the sideboard W.247 cm, contains a series of drawers assembled with dove tail joints. The two lateral spaces are illuminated by LED strips along the inner sides, activated automatically via sensors when the doors are opened.
