

BONALDO

Prora

Designer: Mauro Lipparini

The powerful, inclined profile of the base, which recalls the bow of a ship, creates a dynamic, plastic presence that becomes the central feature of rooms, furnishing and, at the same time, optimising the seating space. The many finishes available for the base and the top allow the option of full personalisation without compromising the purity of the design and, instead,

amplifying the artistic value. The rectangular top is made in various sizes and is offered in fixed and extendable versions. In the latter version, the two independent side extensions enable the surface length to easily be increased, maintaining excellent stability and solidity without renouncing a clean-cut and sought-after aesthetic.

Fixed table top

Wood

							
Veneered wood Walnut Canaletto	Veneered wood Natural oak	Veneered wood Heat-treated oak	Veneered wood Anthracite grey oak	Solid wood American walnut	Solid wood Noce 400	Wood with natural edges American walnut	Solid wood Natural polished oak with knots
