

BONALDO

Bodo

Bodo is a refined armchair that allows you to furnish your house with elegance and comfort thanks to the attention to details and quality materials. Generous padding and curved shapes make the image of this armchair pleasantly soft. The aesthetic appeal is accentuated by the leather insert that vertically defines the armrests, and allows for a singular

play of materials and combinations, to create a high-impact optical effect. The upholstery, in fabric or leather, is fully removable. The base, in painted metal, is discreet and highlights the mono-volumetric impact of the armchair; it can be chosen in a fixed version (with four traditional feet), or in the comfortable swivel version.
