

DORADO LOW

Design Moom

- Tavolo poderoso come una colonna dorica. La messa in discussione della stabilità canonica crea un'elegante sensazione di movimento. Disponibile con piano in cristallo, legno, ceramica o marmo con base singola associata al piano rettangolare o sagomato. DORADO LOW: tavolini che sono la naturale evoluzione del tavolo. La leggera inclinazione della base crea un piacevole effetto di sbilanciamento. La base verniciata si abbina ai piani tondi in cristallo, legno, ceramica o marmo.

Powerful table as a Doric column. The questioning of canonical stability creates an elegant feeling of movement. Available with a glass, wood, ceramic or marble top, with a single base combined with rectangular or shaped tops. DORADO LOW: coffee tables that are the natural evolution of the table. The light inclination of the base creates a pleasant unbalancing effect. The painted metal base is matched with glass, wood, ceramic or marble round tops.
