## Task chair / visitor / technical stool

An armchair with an innovative design and clean lines, the polypropylene shell is available in different colours. It can be completely upholstered, or fitted with just a seat cushion. The range includes the fixed version on a black, white or chromed four-legged or sled frame, or on 4 legs in ashwood. The swivel version comes: on pyramid base in a choice of base finishes; black or white polypropylene; or in black, white or polished aluminum on castors. It is also available in a stool version for breakout areas, with a fixed chromed base, or a round base with gas lift. The family also includes the version with mechanism (see task seating section), or on beam, or with writing tablet (see contract section).
