

Wardrobe made of veneered blockboard and solid wood, featuring hinged doors in glass or wood with a lacquered aluminum frame. The frame of the door, in addition to providing structural support, is designed to also serve as a handle, thanks to the recessed positioning of the glass. The wardrobe offers a functional and modular organization of the various components, tailored to the storage requirements and dimensions requested. It is customizable with the addition of hangers, shelves, solid wood drawers with traditional dovetail joints, and various accessories. Ideal with cedar wood interiors, a natural deterrent against moths. LED lighting is available upon request.

INTERNAL EQUIPMENT NOT INCLUDED (PLEASE REFER TO THE WARDROBE COMPONENTS PAGES).
