

Upholstered chaise longue with an ergonomic seat, shaped to follow the natural contours of the body. Available with fabric or leather upholstery. The recliner, featuring a solid wood shell, is angled to promote relaxation. Stability is ensured by a pedestal base in scented cedar, crafted from a single block with a smooth, rounded profile. Equipped with a padded headrest, held in place by a cedar wood counterweight. An optional solid cedar tray accessory, echoing the shape of the pedestal, is available on request.
